

## Education Internship

### Job description

The Children's Zoo is currently offering Education Internships for the 2010 Zoo season. Education Internships offer the opportunity to gain an understanding of educating the public about the natural world in a zoological park setting. These are unpaid positions.

### Primary Tasks and Responsibilities

- Assist with outreach programs
- Assist and/or teach Zoo Camps
- Prepare for upcoming Zoo Camps
- Assist with Zoo Crew program
- Assist and/or present daily amphitheater shows or presentation stations
- Complete daily paperwork.
- Perform other duties as assigned.

### Position Requirements

- Must be at least 18 years of age.
- Work is outdoors in all weather conditions.
- Able to lift 50 pounds.
- Requires good public speaking ability.
- Ability to work with children and teens.
- Ability to follow verbal and written directions.
- Able to work both as a team and independently

### Time Commitment

- Days of work and hours will be determined upon hiring.
- Internships run mid-May through mid-August.
