

Animal Sponsorship Program

You can be involved in the efforts to save precious wildlife by sponsoring an animal at the zoo. Our Animal Sponsorship Program gives you an opportunity to share in meeting our animals' special needs, which takes hard work, dedication, and finances. As a sponsor for one year, your tax-deductible contribution will help ensure a brighter future for these animals, the zoo, and all wildlife.

You may sponsor any animal on the list at any level. For your generosity, you'll receive our "Thank You" in the form of the following...

Friend \$35

Personalized sponsorship certificate, fact sheet with color photo, and a Children's Zoo patch.

Keeper \$100

Friend benefits PLUS 5 one-time use visitor passes to the zoo and a meeting with your sponsored animal's Keeper.

Protector \$250

Friend benefits PLUS 10 visitor passes and a meeting with the animal's keeper.

Champion \$500 +

Friend benefits PLUS 15 visitor passes, a meeting with the Zoo Director and a 4x9 engraved brick.

It's Easy to Sponsor an Animal: Simply look over our list of animals below, select the species you'd like to sponsor, and then fill out our sponsorship application. Some animals are used for education only and may not be on exhibit. All of the animals remain at the zoo in the care of trained professionals, and can be visited if on exhibit.
